

Bill's Special Kids

Sports For Kids With Special Needs

Bill's Special Kids, a non-profit organization, founded in 1997 as the Stallion Baseball Program was formed to promote the acceptance and awareness of young people with a special need by including them in community activities which help them develop into better adults through participation in organized, supervised recreation activities. The program offers Pony Baseball, bowling, soccer, dance and basketball in belief that if you teach young people to play by the rules; they will learn to live by the rules of everyday life.

The program provides a way for families and friends to come together to celebrate the lives of their loved ones. The parents get a chance to talk to each other and they realize they are not alone.

We play Soccer the months of January and February. Baseball is provided starting in March and runs through May. Bowling is conducted between June and August. Basketball runs September and October. A second bowling session runs from November to December. We also offer a dance class every Tuesday night for the kids. Parents are asked to pay a minimum registration fee for each session.

Sponsorships pay for uniforms, shirts, picture packages, awards, parties and other costs associated with our sport programs. Any donations would be appreciated.

Additional activities include an Annual Teen Dance , trips to Local Class A Baseball Games, Reign Hockey Games, Family Movie Nights and two years ago we took a group to the Special Olympics World Games in Los Angeles.

Special events include a family BBQ during the month of May. We close out the year with a Christmas Party that includes dinner, a gift for each youth and a visit from Santa.

We sincerely hope you choose to be a part of our program. If you do, please complete the attached form and return as noted.
